

ROOF SPECIALIST **malachi** **Consulting**

A GREENER SOLUTION

Malachi Consulting specializes in all types of roofing installations. We are especially fond of green roofing solutions and are environmentally conscientious (we recycle). Don't forget about our design consulting. We have some pretty good ideas and are happy to help. Just ask one of our many repeat and referred customers. The goal at Malachi Consulting is to create a strategic partnership with each customer we work with, in order to provide a more fluid and comfortable contracting experience.

What would that mean to you?
